This document is a form for the Patent and Trademark Office (PTO) to determine the fees for a patent application. It is used to calculate the fees for claims as filed and claims as amended. The form is divided into three parts: Part I (Claims as Filed), Part II (Claims as Amended), and Part III (Claims as Amended). Each part contains a table for calculating the fees for claims as filed and claims as amended. The fees are calculated based on the number of claims, the type of claims (independent, dependent, multiple dependent), and the entity type (small entity, other than small entity). The fees are calculated based on the rates and additional fees for each type of claim. The fees are calculated based on the rates and additional fees for each type of claim.
